UCSB COMPUTER SCIENCE DEPARTMENT PRESENTS:

From Academia to Business

All about startups

Many billion dollar companies get started in a garage with a couple of founders with a terrific new idea. Come and hear from UCSB CS alumni, faculty, and entrepreneurs about computing startup companies right here in the Santa Barbara area.

Student Panel

Bryce Boe - AppFolio, WorldViz, Google

Chris Bunch - AppScale

Sarah Jones - Ring Revenue intern

Entrepreneur Panel

Klaus Schauser - AppFolio

Mike Panesis - TMP

Chris Herbert - Phone Halo
